

AGENDA

COVERED ELECTRONIC WASTE (CEW) STAKEHOLDER WORKSHOP

REGULATORY CHANGE CONCEPTS: RESIDUAL CRT GLASS AND DESIGNATED APPROVED COLLECTORS

Wednesday, June 12, 2013

10:00 a.m. – 12:00 p.m.

Coastal Hearing Room Cal/EPA Headquarters Building

1001 I Street, Sacramento

The primary purpose of this workshop is to initiate discussion on possible regulatory changes within the covered electronic waste (CEW) recycling program. The focus topics are expected to be limited to two areas:

- Restrictions and requirements for the management of residual CRT glass derived from processed CEW
- Clarifications and controls within the “designated approved collector” provision of the CEW recycling system

The format for the workshop will feature CalRecycle staff providing a brief assessment of why regulatory changes may be warranted in these areas at this time, followed by conceptual proposals and open discussion. The workshop will allow stakeholders to comment, question, and discuss the rationale and possible evolution of the CEW recycling payment system. Specific regulatory language will not be presented at this time.

TIME	TOPIC	ACTION
10:00 – 10:10	Opening Remarks and Agenda Review	<ul style="list-style-type: none">• Welcome and Agenda Overview
10:10 – 11:00	Discussion: Managing Residual CRT Glass in the CEW Program	<ul style="list-style-type: none">• Staff presentation, conceptual proposals, open discussion
11:00 – 12:00	Discussion: Clarifying the Designated Approved Collector Provision	<ul style="list-style-type: none">• Staff presentation, conceptual proposals, open discussion
12:00	Wrap-Up and End
